Sept. 12 - Knights Field - 7:00 pm

October 10 - Bethhaven Church - 7:00 pm

Nov. 14 - Bethhaven Church

## May 9, 2019 Meeting

Our meeting was called to order at 7 pm by President Todd Richards with 20 members present. There were zero newsletter problems again this month. Todd asked if everyone had read the minutes and if so they need approved. A motion was made to accept the minutes as written, I missed who gave the first but Randy Allman gave the second, motion passed.

**Financial Report:** Walter (Treasure) It was then reported by Walter that we have \$2369.16 in our account which was about where we were a year ago.

**Old business:** 1- After the Kellybrook school event, one of the home school parents was interested in finding out if training could be available during the day time hours. 2- Walter reported that he has installed lights on top of the shelter house back far enough that looking back from the flight line you can't see the lights so we won't be blinded if we need to follow our planes when they go astray!

**New Business:** Steve Ramey, present newsletter editor, is working on a rehab for the club website, should be going in a couple of weeks. Our past newsletter editor, Ron Swindell was present and received a card signed by the club members and a gift card of appreciation for all he has done over the past years for the club.

Like a bolt of lightning no one saw coming, the KC Parks board made a decision that they are going to offer 40+ acres of park land for sale pending approval this fall. Our field in on one of the plots that they look to sell to the school districts for future construction. This kind of took the wind out of everyones sails !!! Kevin, our contact with the Parks and Rec told Gary H that they will find the club a new home if this happens, could be 6 months, could be a few years. May 24-27 is the spring Elkhorn campout and fun fly, as always we will gather at the Wabash for lunch at 11:30 on Friday It has been brought up that we are considering keeping a small toy box at Sams Service for those times you just gotta have a part. 1st by Gary H, 2nd by

Mark Boggs, approved. Quick update on upcoming events: June 7th is the parks and rec lunch at the field. June 8th is our club fun fly, pot luck lunch, bring whatever tickles your fancy. July 19-20 our annual Pro Bro (AKA: the Heat Bro)

**Safety:** (Randy Allman) reminded us to keep in mind that we have containers of sand if you are unfortunate enough to have a LiPo fire.

**Plow:** Mike Coyne (Vice President) got honorable mention tonight, didn't crash his scratch built, only wanted to turn left. He was the only one to admit to ANYTHING !! (in Mike's words: Mike Coyne wins the coveted plow award for putting his fuel powered 40 size Cherokee into the fence during a takeoff and a huge gust of wind damaging the left front wing leading edge)

 A cartoon character with a large, pointed nose, wearing a white shirt and a brown hat, holding a trophy. The character is set against a light blue circular background.
 

**Plowing Award**

Bestowed upon the individual with the most impressive (or most frequent) crash.

The May, 2019 Winner:

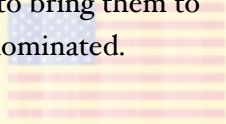

**Mike Coyne**

## Model of the Month

### ARF

You have to bring them to be nominated.

### Kit

Randy Allman had a Hobby Wing Cessna that was a foam over balsa build. Not test flown yet.

### Scratch Built

You have to bring them to be nominated.

Kellybrook School STEM event. The Knights were represented by Henry Alexander, Gary Himes, Todd Richards and Mike Coyne.

## For Sale

**Gary Himes** tel: 816-550-1205  
email: rcflyr52@gmail.com

I still have I have tons more balsa than I can ever use. Therefore I am offering some of my balsa for sale. All sheets are 3 inches wide and 36 inches long priced as follows:

1/16---\$1.00 ea, 3/32----\$1.15 ea,  
1/8--- \$1.25 ea, 3/16---\$1.50 ea,  
1/4-----\$2.25 ea, 5/16----\$2.45  
ea, 3/8----\$2.65 ea

I have large 2oz bottles of thin CA glue for balsa wood at \$9.00 each

I also still have LED light strips for sale. The colors I have are red, blue, green and white. All colors are \$2.00 per foot, or \$5.00 per yard.
