Todd's Corner - a word from our club President

2022 is coming to an end... hard to believe. With that comes our last meeting of the year. We will be confirming our officers for 2023 and voting on increasing the yearly dues or keeping them the same. If you feel strongly one way or the other, I suggest you make it to the December meeting to let your voice be heard. (It will also be the last meeting to add an entry to the 2022 attendance drawing!)

We will also be finalizing plans for the 2023 Frozen Thumb event. We will be sure to get the information out to the club for those unable to attend the meeting.

Big thank you to all those who were able to come help cover the shelter after Thanksgiving - will be nice on New Year's morning!

Our next meeting is at Beth Haven Church on December 8th at 7:00pm. Don't forget to bring those build projects to the meeting for model of the month categories. Hope to see you there!

-Todd Richards

Year to all Northern Knights and

November 10th, 2022 meeting Notes

Meeting called to order by Pres. Todd at 7:00. First thing for the meeting was the newsletter and if anyone had any issues with receiving it and what if any they were, there were none. Next was the minutes and he again asked if there were any problems. Since there were no problems he asked for a motion to approve them, a 1st by Dave Stadler, with a second by Jeff Laven. Motion to approve was passed.

Financial Report: Walter then gave the financial info and we showed \$1974 in the bank and \$1798 in the PayPal account for a total of \$3762 for this month.

Old Business: Dave Stadler reported on the repairs and painting that have been done on the shelter house. Also we need to turn in any additional orders for shirts so the order can be finalized. Hats are \$20, Tees are \$15 and Polos are \$35.

New Business: We have set the date to cover the shelter as of 11-26, with 11-27 as a backup in case of weather. After all, this is Missouri !! We will be starting around 10 a.m. as usual.

Gary Himes was approved for \$250 to purchase items for the annual End of Year drawing.

The process of nominating new officers for 2023 wound up with the current group of officers being reinstated for 2023.

It was brought up that the swap n shop at John Knox is going to be Feb. 4 of 2023. If you are planning to have a table(s) you might want to get your request in early.

New Members: There were none here tonight.

Safety: For some reason I don't have any notes from Randy Allman tonight.

Plow Award: 1st was Todd with his Stix 46 who was doing an impressive flat spin when he managed to pull out too late and met up with good ole Mother Earth. Next was Edwin Chavez who had an incident with his twin ducted fan EDF. Todd won this month !

Plowing Award

Bestowed upon the individual(s) with the most impressive (or most frequent) crash.
