Todd's Corner - a word from our club President

October is here already! Where does the time go? I hope you have been able to get out and enjoy a few of these rare late September days in the 60's and 70's.

The fall Elkhorn weekend is upon us! If you read this before October 7th, come out and join us for lunch at Wabash BBQ in Excelsior Springs. From there we will be heading to Elkhorn for a great weekend of flying (float flying for the brave), camping and all around good time. Come on out even if only for the day. The address for Google maps is 35231 W 120th St, Excelsior Springs, MO 64024.

On a somber note, October 22nd at 3:00pm we will be having a memorial fly for Danny Williamson. As many already know, Danny passed away on Sunday September 4th. He will be missed and not soon forgotten. Please join us on the 22nd to remember a longtime friend and member of the Northern Knights. (complete information regarding his funeral, etc is on the website)

Please remember that this month's meeting will be at the Beth Haven Church (4810 N Elmwood Ave, Kansas City, MO 64119) at 7:00pm. Don't forget to bring those projects and new builds for model of the month categories. Hope to see you all there!

-Todd Richards

September 8th, 2022 meeting Notes

Meeting called to order at 7 pm by Vice Pres. Greg Boggs as Todd had an unscheduled event come up and needed to be in St. Louis. Greg asked if everyone had gotten the newsletter and were there any problems, none tonight, so on to the Minutes of the last meeting and there were no issues found, so he asked for an approval, (I did not get who were the 1st and 2nd on the minutes) Approved

Financial Report: Walter gave the financial report showing we have \$2340 in the bank and \$1598 in PayPal for a total of \$ 3948. We also brought in \$100 from our swap and shop.

Old Business: Corky from Synergy has sent us two letters of appreciation and included information on a lot of the programs that Synergy covers for their patrons.

New Business: The only item for new business is the upcoming Elkhorn fun fly and camping on the 7th-9th. The main item for coverage is to really take care of the site. Remember to take ALL of our trash that we generate. Our hosts have allowed us to use their property, so let's be really considerate and remember we are their guests.

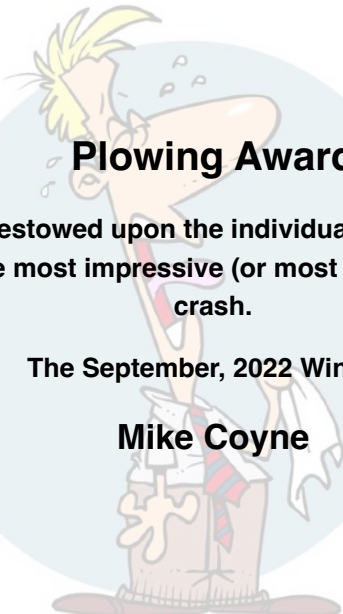

On a somber note, it was reported that Airplane Danny has passed away. There will be military participation as we hear it right now. More info at our next meeting I'm sure.

We will have shirts, etc available to order at the October and November meetings. Mike Berardelli will be running that.

Safety:No information for this meeting.

Plow Award: Only one person told of his misfortune! Mike C had a plane that he had gotten from Henry. After the first crash he took it home, rebuilt it and again brought it to the field only to have it go down again only harder, thinks that it was a bad receiver !

Plowing Award

Bestowed upon the individual(s) with the most impressive (or most frequent) crash.

The September, 2022 Winner:

Mike Coyne

ARF

Mike Beradelli had an ARF running on a 4s 4000 mah. He didn't care for the factory covering so he stripped it off and recovered it, and it's a sharp looking plane. I got what he had done and missed what make the plane was !

Kit

Got to bring 'em to win!

Resurrection

Mike C had entered the same plane he used in the crash award, and I don't know if this was the 2nd or 3rd time it was repaired !
